Dear Bob:

Subject: Contract FL-4004
Additional AGE

Through our telephone conversations we have realized that we have shipped certain items of additional AGE on Contract FL-4004 for which you have no information concerning the requirements. Attached is a basic list of these items which was furnished to Headquarters as part of our proposal FRC K-13-218. This list was approved by Headquarters message 8789. By our message 0941 to Headquarters we requested this list be changed by deleting Item 1 and adding items 40 through 46. You were not copied on any of this correspondence. Headquarters approved this change by their message 2881 on which you were copied. Our contract has not yet been amended to reflect this change, but we assume will be in the near future.

In the meantime, we have made shipment of some of these items as follows:

Items 44 and 45 on SD 1492-35 dated 7-8-64
Item 46 on SD 1779 dated 8-19-64
Items 42 and 43 on SD 1607-61 dated 8-7-64

Until such time as you receive the amendment to the contract incorporating these additional items, the attached list is furnished for identification of the items as they are shipped.

Very truly yours,

Win
